Steps:

- Register using an already registered email

Expected Result:

- System should not allow duplicate registration

1.2 Login

Test Case 1: Valid Login

Steps:

- Enter correct email and password

Expected Result:

- Login successful

Test Case 2: Wrong Password

Expected Result:

- Error message should be displayed

Test Case 3: Empty Fields

Expected Result:

- Validation error should be shown

Test Case 4: Unregistered User

Expected Result:

- Login should fail

1.3 Task Management (CRUD Operations)

Create Task**Steps:**

- Add a new task

Expected Result:

- Task should be created successfully

View Task**Expected Result:**

- Task list should be displayed

Edit Task**Expected Result:**

- Task should be updated successfully

Delete Task**Expected Result:**

- Task should be removed

Negative Cases

- Creating empty task → error message
- Deleting non-existing task → proper handling

1.4 Input Validation & Error Handling

- All required fields should be validated
- Proper error messages should be displayed
- Application should not crash on invalid input
- Password should follow security rules
- Session should expire after logout

2. Bug Identification

Bug 1: Duplicate Registration Allowed

- **Severity:** Major
- **Impact:** Multiple accounts with same email

Bug 2: Weak Password Accepted

- **Severity:** Critical
- **Impact:** Security risk

Bug 3: No Input Validation

- **Severity:** Critical
- **Impact:** Application crash or invalid data

Bug 4: SQL Injection Vulnerability

- **Severity:** Critical
- **Impact:** Data breach

Bug 5: Session Not Expiring

- **Severity:** Major
- **Impact:** Unauthorized access

Bug 6: Task Not Saving Properly

- **Severity:** Critical
- **Impact:** Data loss

Bug 7: Delete Without Confirmation

- **Severity:** Minor
- **Impact:** Poor user experience

Bug 8: Application Crash on Large Input

- **Severity:** Major
- **Impact:** System instability

Bug 9: Missing Error Messages

- **Severity:** Major
- **Impact:** Confusing user experience

Bug 10: Slow Performance

- **Severity:** Minor
- **Impact:** Reduced usability
